 and Treasures...  
 Every month we light a  
 Memorial Candle..*

We had 4 more moms join us in June & everyone in both meetings received a memento lamb.

Ryane showed us the many treasures she has in memory of Zion who was stillborn at 32 weeks last May. She told us about her upcoming anniversary plans.

Mistie shared Angel Segura's memento box that she received from SA many months ago. She has added treasures to it...a bear, a blanket, cards, and an angel. We take a peek into her box which she now lovingly calls Angel Segura's room. She had little support and no mementos after the death of her baby. Gradually, she has found ways to express her love for her tiny baby. Angel was stillborn at 18 weeks.
