

## *Visiting SHARE Atlanta's Tree 2006 Festival of Trees*

*Angela and Johari Johnson  
In memory of Gwendolyn Gerforne  
& her angel siblings...*

Johari's school goes each year and of course I make a way to get a picture in front the tree! Next year I will try to have Ayinde with me too.

*Jacob, Christy & Elijah Brown  
In memory of Lanie Grayce & Baby Brown*

We thought that the tree was beautiful, and we especially loved how the names were on the tree this year!
