SHARE Atlanta Is...

*Working through our grief with each other;
Sharing our fears and feelings;
Knowing we are not alone in our pain;
Learning our pain and feelings are normal,
and that we aren't losing our minds
Finding hope from those who
have made it through their grief
to the other side;
Hope for our own survival and healing,
and for future happiness;
Very special people.

Mementos for Healing

Pictures, scrapbooks, baby clothes, stuffed animals and dolls.. Making cherished memories of our precious children.

Remembering...Outreach...Healing...

SA Parents make blankets for SA's 5 B's Outreach for Healing Program...

Many parents make these on their baby's anniversary. SA gives them to hospitals so newly bereaved parents may wrap their baby in love.
