

# SHARE Atlanta's March for Babies 2008 MODS' Top Ten Chairman's Club TENT and SA's Memory Corner "We march in memory of our babies...for ALL babies."

Kerrell and April with their son, Kerrell, Jr.

## Messages to our Precious Babies

## Gathering Together...3rd year for our TENT!

All morning, SA members and visitors to our TENT visited, wrote their baby's name on the hearts, took some of our materials, and asked us questions. Many made new friends. Numerous of those who have been through similar experiences, healed, survived and found hope again were there to support the more newly bereaved parents. This type of support is possible ONLY because last year's team raised enough funds to have one of the 10 TENTS. We had our MODs awards displayed as well as our information boards, blankets, brochures, newsletters, shirts, bears, and Awareness pins. Thank you, all!

## Why We Walk.. For our children..

Several of our SA "subsequent" children carried signs saying "Thank you for walking for 'Me'." Lyle Gore with his son, Roan, and Katherine and Margaret (preemies) Beltrami hold their signs.

## TEAM G.O. (Gore-Owings) for SA!

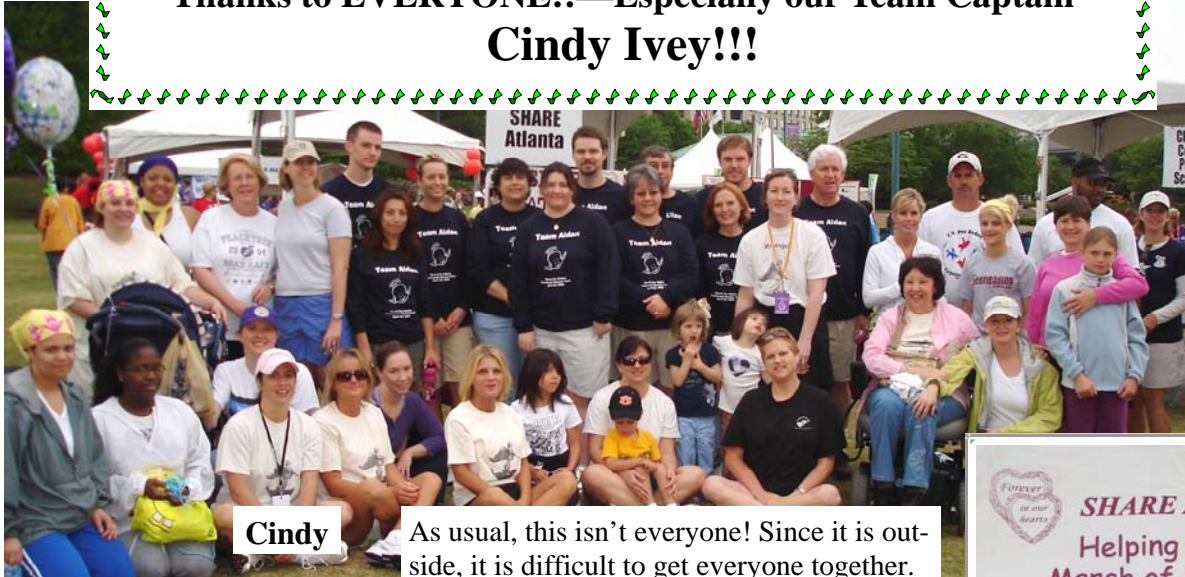

Lyle, Juliette, and Roan walked with their own team under SA's umbrella.
